

BLACK POOL

A FILM BY DUSTIN MORROW

Support the Film

Thank you for your interest in helping us to bring *Black Pool* to the world!

We are a microbudget film. Most of the cast and crew worked for no pay or for a small honorarium. The film is truly a labor of love for all involved. We received a couple of generous grants in support of the film, from the Regional Arts and Culture Council and from Portland State University. Both of these grants were expended during the production of the film.

We are raising money to assist with the high costs of distributing the film. If you want to see our film, and help us share it with audiences around the world, you can contribute in one of two ways:

1. Personal checks can be made out to producer Dustin Morrow and can be sent to the following address. Please put something to the effect of 'film' or 'Black Pool' in the subject line on the check, and please include your email address with your check, so we can send you a big Thank You and a digital copy of the film when it's finished.

2. Contributions can also be made to producer Dustin Morrow via Paypal at the account: morrow4@pdx.edu. And send us an email at everythingwentdown@gmail.com so we can send you a big Thank You and a digital copy of the film when it's finished.

It is because of generous supporters like yourself that independent artists like us - writers, actors, musicians, filmmakers - are able to do our work, tell our stories, and attempt to leave the world a better place than we found it. We would be honored and grateful to add you to the growing list of people who've supported the film. Thanks for reading.
